

# CAMP KOREY

SUMMER 2009 PROGRAMS  
AUGUST 10-14 OVERNIGHT CAMP FOR CHILDREN WITH  
MITOCHONDRIAL DISEASE

## ✧ No Cost to Families ✧

*Children ages 7-16 years old will have an opportunity to participate in therapeutic camp activities that include; canoeing, swimming, arts and crafts, horse back riding, climbing wall, fishing, theatre, and much more! There will be a minimum of 2:1 camper to staff ratio (1:1 available if needed), all special dietary requests will be accommodated, and our site is accessible to children in wheelchairs. We have a team of outstanding Physicians and RN's onsite to support the medical needs of every camper.*

*The camp experience will give children and young teens the opportunity to form life long friendships with other campers with Mitochondrial Disease*

If you are interested in applying applications are available on our website [www.campkorey.org](http://www.campkorey.org) or one can be mailed to you.

If you would like more information please contact Hillary Carey at Camp Korey (425) 844-3225 or email [hcarey@campkorey.org](mailto:hcarey@campkorey.org)

CAMP KOREY IS A PROPOSED "HOLE IN THE WALL CAMP"
