Education: Books & Media

Support

Future Planning & other workshops

3

Information, support, FUN!

4

Why support siblings?

1. Siblings' experiences parallel parents' experiences.
2. Sibling issues are lifespan issues.
3. Siblings spend quantity time.
4. Siblings spend quality time.
5. Siblings are the next generation of caregivers.

5

7 Simple Strategies For Sibling Support

6

Strategy #1

Provide siblings with age-appropriate information.

7

Strategy #2

Provide siblings with opportunities to meet other siblings.

8

Strategy #3

Encourage good communication
with typically developing children.

9

Strategy #4

Encourage parents to set aside
special time with sibs.

10

Strategy #5

Learn more about life as a sibling.

11

Strategy #6

Encourage parents to reassure their children by making plans for the future.

12

Strategy #7

Remember:

The single strongest factor affecting sibling's interpretation of disability is parents' interpretation of the disability.
